Parents & Caregivers
in Attendance

Caregivers identified now having a better understanding of:

- What it means for their child to be "ready" for school
- School readiness skills & routines they can practice at home
- School and home resources available in the community
- How to enroll their child for kindergarten

Parents & Caregivers Share Their Most Valued Takeaways

- It's okay to ask for help.
- I am my child's biggest influence!
- Social-emotional skills begin at home and are critical for school success.
- I can help ease my child's nerves by showing excitement and talking with them often about what to expect.
